AT JUNE 12 MEET**

Formation of a new iris society will take place Thursday, June 12, when members of the American Iris Society and the Southern California Iris Society from the Torrance area meet at 7:30 p.m. in Lawndale Recreation Center.

The center is located at 147th St. and Hawthorne Blvd. The new society is planned to include iris lovers from the entire area south of Hollywood. All who attend the organizational meeting will become charter members.

**Circus To Be  
June 18 at  
Perry School**

It's circus time! John A. Strong's one-ring circus will give a morning and an afternoon performance Wednesday, June 18, at Perry School, under the sponsorship of the Perry Parent Teacher Association.

Proceeds from the shows will be donated to Girl Scout Troops 1388, 867 and 868, sponsored by the PTA, to be used for camping and craft work.

Ponies, dogs, magic acts, a clown, a juggler, a baby monkey, a high diving dog and a puppet theater are features of the show which though small, has provided gay hours for students in many Southland schools and their parents.

Operator of the show, John Strong, is 31 and follows in the footsteps of his father, John A. Strong Sr., a clown and juggler for over 50 years. The show realizes young Strong's ambition of "a show of his own." It will be presented on the school grounds, 17831 Prairie Ave.

**COMING TO PERRY SCHOOL . . .** Students at Perry School and their parents will have a wonderful time June 18 when John Strong's one-ring circus makes its appearance at the school for two performances. Sponsored by the Perry PTA unit, the show will feature trained dogs, a clown and a juggler, magic acts and a puppet theater. One show will be given in the morning, another in the afternoon. Proceeds from the event will be used to provide camping and craft opportunities for Girl Scouts in troops 1388, 867 and 868, sponsored by the Perry Parent Teacher Association.
